

# SURYA PRATAP SAHU

STUDENT AT GIET UNIVERSITY, GUNUPUR

**P** +91 8260061212

**E** suryapratapsahu01@gmail.com

**A** Angul, Odisha

**W** [Website]

## OBJECTIVE

As a data science and web design professional with a background in computer science, I have a unique blend of technical and creative skills. Proficient in Python, R, SQL, HTML, CSS, JavaScript and working on the machine learning techniques.

I have completed several data science and web design projects that have allowed me to apply my skills to real-world problems.

I am passionate about creating visually appealing and data-driven solutions and always eager to learn new technologies and trends.
